This wine offers a clean and subdued expression of Amarone in which fruit purity is front and center, and there aren't any other major distractions. The Acinum 2016 Amarone della Valpolicella shows ripe cherry and baked plum followed by spice, smoke and tar, which is characteristic of air-dried fruit from this unique winemaking corner of Italy. This is a generous mid-weight expression, and I'd suggest a near or medium-term drinking window because the wine is already moving forward on its aging trajectory.
