The 2016 Dogliani Superiore Bricco Botti represents one of the most profound and sophisticated expressions of this popular Piedmont grape variety. The Dogliani appellation is specifically recognized for the purity and authenticity of those dark berry flavors and the bright acidity that is associated with Dolcetto. This cool-vintage wine is sharp, focused and bright with loads of primary fruit. However, there is enough softness and meat here to soften the mouthfeel. This is textbook Dogliani, and worthy of a brasato al Barolo, although you'll be forgiven if you want to marinate the beef in a more economical red.
