

**Pinot Bianco Trentino DOC
2019**

Fondazione Edmund
Mach

SCORE

89

The 2019 Pinot Bianco from Fondazione Edmund Mach is honied and floral in the glass. Ripe peaches, hints of tropical citrus and kiwi come together with white flowers to create an elegantly lifted and pretty display. It's silky and textural, with notes of sweet herbal tea and yellow apple offset by a subtle mix of acid and minerals. This is balanced from start to finish with wonderful density, making it a pleasure to taste now but also capable of evolving over the medium term.
