The Tenuta San Leonardo 2018 Sauvignon Blanc Vette di San Leonardo (with 98,000 bottles made) is a lightweight and fragrant wine with plenty of varietal purity and focus. It shows a luminous, transparent appearance with aromas of green apple, tropical fruit, peach and almond blossom. It closes with a hint of crushed mineral. The wine's very lean and compact mouthfeel would make a refreshing complement to Thai spring rolls or pad Thai with peanut sauce.
