

Terre di San Leonardo Vigneti delle Dolomiti IGT 2017

San Leonardo

An herbaceous red, offering a cured tobacco and spice box character, as well as a tang of iron that underscores the bright flavors of ripe red and black currant fruit with olive and smoke. Light, taut tannins show on the finish. Cabernet Sauvignon, Merlot and Carmenère. Drink now through 2027. 8,000 cases made, 1,200 cases imported.
