

Carmènère Vigneti delle Dolomiti IGT 2018

San Leonardo

PAIRS WITH

SCORE

92

The 2018 Carmènère is darkly floral and intense, displaying mentholated herbs, peppery florals, blackberries and mint. This is pure elegance on the palate, soothingly soft and expressive, with ripe red and black fruits underscored by savory mineral tones and vibrant acidity that maintains a lovely energy throughout. It finishes remarkably fresh with a gentle tug of tannins, leaving licorice and violet inner florals to fade. The 2018 is a darling, not as powerful as past vintages, but instead impressing on its elegance and grace. There was no 2017 produced due to the low quantities of the vintage.
