Le Salette

PAIRS WITH

SCORE

92

Le Salette's 2016 Ca' Carnocchio is a fresh and inviting blend of local indigenous grapes such as Corvina, Corvinone, Croatina, Rondinella and Oseleta. The wine shows dried cherry and blackberry aromas, and it also offers some savory tones of spice, cured leather and grilled herb. You get plenty of intensity spread over an accessible, medium-weight texture delivered to the palate. This well-priced wine should hold well for the next few years.
