The 2017 Barbaresco shows just how appealing this vintage can be. In 2017, the warm, dry growing season gave the Barbaresco an extra kick of richness that fills out its frame and adds so much immediacy. Sweet red berry fruit, cinnamon, rose petal and mint are open in the glass, but it is the wine's seductive radiance that wins the day. Pora, Ovello, Montestefano, Muncagota and Rio Sordo are the main vineyards used for the straight Barbaresco. The 2017 is such an inviting and expressive wine. Don't miss it!
