

Rio Sordo Barbaresco Riserva DOCG 2015

Produttori Del Barbaresco

PAIRS WITH

SCORE

96

This wine usually falls somewhere in the middle of the Riserva continuum (starting with the most lithe and elegant wine and ending with the most powerful) presented by Produttori del Barbaresco in this knockout series of nine single-vineyard expressions. The 2015 Barbaresco Riserva Rio Sordo is another personal favorite. This group of Ovello, Rio Sordo, Asili and Rabajà (that sweet spot of neighboring vineyard sites in Barbaresco) is especially profound in 2015, striking a careful balance between elegance against power. The Rio Sordo offers tight and sharp fruit complete with a little tannic pinch or crunch on the close. Production is 13,333 bottles.
