The 2015 Barbaresco Riserva Muncagota is sensual and super-expressive. I won't be surprised if it turns out to be one of the overachievers in this range. Like the Rio Sordo, the Muncagota is one of the more laid-back, mid-weight wines in the lineup, but what impresses most is a real sense of harmony. Silky and open-knit in feel, with lovely aromatic top notes, the Muncagota is so inviting today.
