Rabajà is known for its precision and extreme balance, and these qualities are especially pronounced in this excellent vintage. The Produttori del Barbaresco 2016 Barbaresco Riserva Rabajà is a gorgeous wine, and one that is offered at an unbelievably low price, especially considering the quality and depth you are given here. Sheer elegance is the impression you get upon first inspection, and the bouquet opens gradually to embrace wild berry, cherry, white stone, light spice, tar and hint of toasted hazelnut. Quite a few families contribute fruit for this blend: Antona, Arossa, Bianco, Casetta, Lembo, Lignana, Manzone, Vacca and Vezza. 12,826 bottles were made this vintage.
