The 2015 Barbaresco Riserva Montestefano is one of the deeper, wines in this range. Ample, broad and creamy, the 2015 has a ton of richness and power on display. It is also one of the wines in this range where the personality and style of the vineyard are very much in evidence. A rush of black cherry, plum, menthol, licorice and spice build into the racy finish as this powerful, beautifully resonant Barbaresco shows all it's got.
