

Castello dei Rampolla Chianti Classico DOCG 2018

Castello Dei Rampolla

SCORE

92

The Castello dei Rampolla 2018 Chianti Classico shows some softness and extra ripeness with dark fruit and plum followed by savory smoke and spice. This wine is an expression of the one and only Panzano in Chianti, a promising subzone in the larger Chianti Classico appellation with panoramic views awash in soft golden light at the end of each glorious day. To the palate, the wine delivers rich, mid-weight intensity with more textured and succulent flavors to follow. This wine is just lovely, especially when tasted right out of the gate when those cherry and blackberry tones are at their brightest.
