PAIRS WITH

SCORE

89

The 2017 Cauro opens slowly to a display of red currants and flowers, complemented by smoky crushed stone and hints of animal musk. Its silky textures usher in ripe wild berries and sweet spice, and juicy acidity and minerals add energetic tension toward the close. A persistent mix of salted licorice, white pepper and cigar ash resonates through the austere finale. The Cauro is a blend of 50% Cabernet Sauvignon, 30% Gaglioppo and 20% Magliocco.
