This is an interesting wine that defies the low expectations of this challenging vintage to deliver plenty of unexpected richness and dark fruit. The 2014 Taurasi Fatica Contadina is more concentrated and intense than I would have anticipated, showing deep layers of dark cherry and blackberry. Those aromas are quite smooth. However, the wine takes a different turn in the palate, where it shows some bitterness and textural grittiness that comes with age. I like the nose of this vintage but am less enthusiastic about the mouthfeel.
