The Tenuta San Leonardo 2016 Trentino Riesling shows loads of varietal purity with quince, pear, Golden Delicious apple, honey and dried papaya. All that fruit is put under a lens, provided by sharp mineral tones, for extra focus and clarity. This is a generous, lean to mid-weight Riesling with touches of Mediterranean warmth and golden, citrusy fruit that is characteristic of the mountainous Trentino region. I tasted bottle number 536 of just 6,250 produced. I would love to come back to this bottle in five years' time.
