

## Bodega Volcanes Parinacota Blend 2017

Bodega Volcanes

PAIRS WITH

SCORE

92

The aromatic 2017 Parinacota is a Syrah-based blend with some 30% Cariñena and has a nose that combines notes from each of the varieties, such as flowers and smoky bacon, an earthy, tree bark-like sensation and some lovely rusticity, combining Mediterranean and Northern Rhône characteristics. It's supple and combines power and rusticity with a certain elegance. I like it very much. 1,200 bottles were filled in November 2018.
