

Cerretta Barolo DOCG 2015

Garesio

SCORE

92

The Garesio 2015 Barolo Cerretta opens to aromas of dried cherry, camphor ash, candied orange skin and wet terracotta. The Cerretta offers a strong mineral identity with some iron ore or iodine showing up at the back. The tannins are integrated but dry, and the mouthfeel is thin, long and dusty. Like the other Barolo from Garesio with fruit from Serralunga d'Alba (also reviewed here), this wine could use some more primary fruit, especially now in its youth. Dried herbs and aniseed pop up on the finish.
