

Secca del Capo IGP 2020

Cantine Colosi

PAIRS WITH

SCORE

88

Here's a new dry white wine from a young producer who interned with the Tasca family and farms on the main island of Sicily and on the satellite island of Salina. The vines are located on a little ledge that hangs out to sea near Capo Faro. The Cantine Colosi 2020 Secca del Capo is an easygoing and luminous expression of Malvasia with soapy floral aromas, tropical tones and a hint of latex or natural rubber. There is a hint of something almost exotic, with candied orange peel or sweet almond blossom.
