

## Ecolosi Nero d'Avola Sicilia Rosé DOC 2020

Ecolosi

PAIRS WITH

SCORE

89

The 2020 Nero d'Avola Rosé mixes sweet roses with ripe strawberries and hints of spice to create a seductive display. It's soft in texture with medium weight, showing ripe red and hints of blue fruit, as minerals and inner floral tones amass toward the close. This finishes with persistence, still buzzing with energy, as a twang of sour melon punctuates the experience nicely. The 2020 is packed full of character and, if tasted blind, you might believe you were drinking a red rather than a Rosé.
