Polished, clear and silky, the Vie di Romans 2018 Friuli Isonzo Chardonnay Vie di Romans is a beautifully balanced wine that gives equal weight to the intensity and quality of the fruit and the abundantly enriched texture of the mouthfeel. This is Chardonnay presented in 360-degree splendor with peach, melon, honey, pastry crust and cream custard. Ten months of aging on the yeasts gives the wine added dimension and opulent richness. Saffron, spice, cumin and fragrant sandstone are intermingled on the long and silky finish.
