

Vie di Romans Chardonnay Friuli Isonzo DOC 2021

The 2021 Chardonnay Vie di Romans is a showstopper, rich and floral in the glass, with dried nectarines and apricots lifted by yellow flowers and candied lime. Its textures are lifted, yet this makes quite an impact, with bright acidity enlivening masses of ripe peach and chamomile. Hints of confectioners' sugar and lemon custard are left to linger as a burst of gingery spice and sour melon adds verve. A minute goes by, and this continues to resonate with hazelnut notes.
