

Vie di Romans Chardonnay Friuli Isonzo DOC 2020

Vie Di Romans

PAIRS WITH

SCORE

93

The 2020 Chardonnay Vie di Romans pulls you close with an enticing bouquet of sweet peach and white flowers offset by hints of smoke. This is elegance personified, rich and polished with fleshy ripe fruits and motivating acidity. It tapers off with persistence, leaving the senses coated in glycerol fruits, along with blood orange and gingery spices. The balance here is remarkable, as is the depth. The 2020 will require cellaring, but it is a total knockout.
